Dear Sponsors

NEWS AND PROGRESS AT ABLE CENTRE

We are grateful to let you know of the wonderful progress made with the children at ABLE Centre over the past year and bit. We've celebrated our first birthday in September '13, and are excited for the next year.

The Centre has grown from 3 children in Sept '12 to the following:

- 5 Grade R children (School Readiness Program) with Teacher Sonja
- 13 Pre-school children, with 8 Tutors
- Total 18 children, with 2 more applications in the process of being received.

Additional services that we have managed to bring to the Centre are as follows:

- Speech & Language Therapy (on contract basis)
- Occupational Therapy (on contract basis)
- Horse Riding Therapy (on voluntary basis)
- Counselling – Play Therapy, Emotional Readiness
- Parent Support Group
- Training
- Awareness Programs

We would like to thank you from the bottom our hearts for your ongoing support and assistance, which without we will not be able to offer the much needed services to our kiddies and their parents. We have a great number of wonderful success stories to tell in terms of the progress of the children, but also (and as significant) the amazing hope that parents have received and unbelievable support from the community.

We hope that we will be able to continue in providing the professional services on offer and furthermore provide inspiration in abundance to all that has come in contact with ABLE Centre and the true angels at work here. Your support is a true blessing to many families!

Kind regards,

E. Marais
